

Correction

P. Tehrani and Q. Zhao

“Separation Principle for Opportunistic Spectrum Access in Unslotted Primary Systems”
43rd Conference on Information, Science, and Systems (CISS), March, 2009.

- Condition (13) should be:

$$\frac{P_{11}(L) - P_{01}(L)}{1 - P_{11}(L)} \left(1 - \frac{1}{\exp(-\lambda L_{tx}) P_{11}(L_s)}\right) \leq \epsilon' \leq (1 - \epsilon) \frac{P_{11}(L_s) - P_{01}(L_s)}{P_{11}(L_s)}$$

- Condition (15) should be corrected to:

$$\frac{\epsilon'}{1 - \epsilon} + \frac{\min\{P_{11}(L_s)\epsilon'', P_{01}(L_s)\epsilon''\}}{(P_{11}(L_s) - P_{01}(L_s))(1 - \epsilon)} \geq \frac{P_{11}(L) - P_{01}(L)}{1 - P_{11}(L)}$$

We apologize for these typos.
