

UNIVERSITY OF CALIFORNIA, DAVIS
Department of Electrical and Computer Engineering

EEC180B

Digital Systems II

Spring 1999

Original Grading Policy:

Midterm: May 5, 1999	25%
Final Exam	40%
Homework	5%
Quizzes (all)	15%
Laboratory	15%

Due to the circumstances related to changing Instructor and course text in mid-quarter, I have decided to use a revised grading policy in addition to the original grading policy. I will calculate grades using both policies and students will receive the better of the two grades.

Revised Grading Policy:

Midterm: May 5, 1999	15%
Final Exam	40%
Homework	7%
Quizzes (last 3 only)	18%
Laboratory	20%

Note: you can apply for a late drop in the course, if desired, to Gary Ford by Friday, May 14.
